SUBJECT

This action is to proceed with the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and the levying of assessments on benefited properties within these territories for the installation, operation, and maintenance of street lighting facilities within the annexed territories.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Approve the Engineer's Reports for Petition Nos. ~~15-412, 41-614, 39-613, and 75-1113~~ either as filed or as modified for the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and the levying of assessments within the annexed territories for street lighting purposes.

The proposed annexation areas are located in the unincorporated communities of Avocado Heights, Hacienda Heights, La Crescenta, and Monrovia.

3. Adopt the Resolution of Intention to Annex Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territories for Fiscal Year 2016-17.

4. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territories for street lighting purposes with a base assessment rate for a single-family residence of \$5 for the Unincorporated Zone of County Lighting District Landscaping and Lighting Act-1.

5. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of Tuesday, _____, pursuant to section 53753 of the California Government Code. The mailed notice will include assessment ballots.

6. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territories to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to the California Streets and Highways Code section 5838.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of streetlights necessary to maintain service within the proposed annexation territories.

2. Order changes, if needed, in any matters provided in the Engineer's Reports, including changes in the improvements, the proposed diagrams, and/or proposed assessments.

3. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessment.

4. Determine whether a majority protest against the proposed annexations or assessments exists.

5. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those petition territories where there has been a majority protest to the assessments and refer the matter back to the Department of Public Works.

6. If there is no majority protest against the proposed assessments, adopt the Resolution Ordering Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2016-17, either as proposed or as modified by the Board. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2016-17.

7. Adopt the joint resolutions between the Board and other taxing agencies approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of these territories to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of these recommendations is to find that the project is categorically exempt from the California Environment Quality Act (CEQA) Guidelines; annex the territories known as Petition Nos. ~~15-412 (Third Avenue), 41-614 (Los Molinos Street), 39-613 (La Crescenta Avenue), and 75-1113 (Graydon Avenue)~~, to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone (collectively, CLDs); levy assessments for Fiscal Year 2016-17 on the benefitted properties within the annexed territories for street lighting purposes; and approve the exchange of property tax revenues among those nonexempt agencies whose service areas are subject to the jurisdictional change.

Implementation of Strategic Plan Goals

This action will further the County's Strategic Plan Goals of Operational Effectiveness/Fiscal Sustainability (Goal 1) by annexing the territories to the CLDs, thereby providing the funding necessary for the operation and maintenance of streetlights that benefit the properties. This action is consistent with Community Support and responsiveness (Goal 2) by ensuring the street lighting services are provided to the benefiting properties. In addition, this action is consistent with Integrated Services Delivery (Goal 3) as it will provide convenience and safety for the motoring public as well as the safety and security of people and property.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the CLMD 1687 (Fund F46) Fiscal Year 2015-16 Budget to fund estimated costs of \$5,100 for the operation and maintenance of the streetlights within these petitioned areas.

In subsequent years, the ongoing operation and maintenance costs of the streetlights within the annexed territories will be funded by the CLMD's share of ad valorem property taxes, supplemented by assessments approved annually by the Board from property owners within these annexed territories. The proposed annexations will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund, the County of Los Angeles Public Library, the County of Los Angeles Road Maintenance Districts 1, 4 and 5, the Consolidated Fire Protection District of Los Angeles County, and the Los Angeles County Flood Control District to CLMD 1687.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board previously approved and filed Petition Nos. ~~15-412, 41-614, 39-613, and 75-1113~~; adopted a resolution initiating proceedings for the annexation of territories to CLMD 1687; and ordered the Director of Public Works or her designee to prepare and file an Engineer's Report for each petitioned territory. The enclosed Engineer's Reports were prepared in response to that directive.

Under California Government Code section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by the Board, including the distribution, receipt, and tabulation of ballots at a public hearing. Ballots will be mailed to each property owner within the annexation territories. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. The Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The approval of the enclosed Resolution Ordering Annexation, the levying of assessments, and the resolutions for the exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the streetlights in the annexed territories.

The California Revenue and Taxation Code section 99.01(a)(4) provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues have been approved by nonexempt taxing agencies and are enclosed for your consideration.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the Assessor in accordance with the requirements of California Government Code section 58850 et seq. and are on file with Public Works. A copy of the diagram showing the boundaries of each proposed annexation area is attached to the Engineer's Report prepared for each petitioned area.

Following the Board's approval of the resolutions for the annexation, levying of assessments, and exchange of property tax revenues, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code section 54900 et seq.

The resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed action is categorically exempt from the provisions of CEQA. The project to annex territories to CLDs for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in section 15301(c) of CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically includes annexations to street lighting districts and installation of streetlights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to the CLDs will result in street lighting for these areas and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and a copy of the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the Assessor, Ownership Services Section (Attention Sonia Carter Baltazar) and one to the Auditor-Controller, Tax Division (Attention Grace Kinoshita).

Respectfully submitted,
